

Dear Parents,

It is with great excitement that I get to share with you that we are able to go on a Field Trip this year. 5th Grade is going to the Iowa State Capitol Building and Terrace Hill in Des Moines on Friday, May 7th. Unfortunately, we will not be able to take any parents this year.

We are doing research on the Iowa Capitol Building and Terrace Hill and are excited to be able to see these historic buildings and complete a report about them.

We will leave the school after students eat their breakfast and finish a last minute review of their research around 9am. Students can bring their own lunch from home or a sack lunch will be provided by the school. We will then load the bus around 2:00pm so that we are back to the school before dismissal.

After such an unusual and complicated year we are excited that we get to celebrate with our students by going on this field trip.
